

CONSUMER NOTES

It's cold and frosty outside...so warm up with some hot new anime! This month, don't miss the debut of Funimation's sizzling new spy-action title, Kiddy Grade! CPM will get your pulse racing with the tense atmosphere of Osamu Tezuka's Black Jack, for the first time on DVD! Then there's the heartwarming tale of a boy and his bike as they travel the world in the beautiful new series, Kino's Journey... And last but not least, grab some spicy tunes with the American debut of one of history's biggest J-Rock bands, X (Japan)! (Oh, and don't forget - prepare to dive head-first into "the swirling world of ambition, hatred, and love" when Comic Party arrives this March!)

ANIMANIAC'S PICKS OF THE MONTH

February is a month of love and war! First up, from Gonzo, the same people who brought you the wildly popular Gatekeepers and Hellsing, comes Yukikaze! You will be blown away by Yukikaze's spectacular CG aerial dogfights! Full Metal Panic is not to be left behind though! The seventh and final volume is sure to wrap things up with plenty of gunfire and explosions! Or perhaps if ninjas are more your thing, try Ninja Scroll TV Vol. 2! Jubei is back and while fighting demons may not be his hobby, it's definitely his forte! Lastly, as February means love, it's only appropriate to have an equally lovely title - Love Doll. Turn out the lights and enjoy one of hottest adult anime titles to hit the market since Cool Devices!
